

SURESPAN

CASE STUDY: Surestart & Goal Soccer Centres

Surespan's Roof Access Package is a hit with customers

Surespan, the UK's leading manufacturer of access hatches, has supplied their unique roof access package to a range of organisations across the UK, including Surestart and Goal Soccer Centres.

The access package includes roof hatches, zip retractable access ladders, ceiling door panels and drop-down ladders and is designed to allow engineers safe access to the roof so that they can carry out maintenance work.

A spokesperson from Surespan commented:

“We are selling more and more of our roof access packages which provide customers with everything they need to be able to safely gain access to their roof space.”
